Paris, 9th February 2015

EVERYTHING IS ON TRACK FOR EQUIP AUTO 2015

EQUIP AUTO, which will take place from the 13th to 17th October 2015 at the Parc des Expositions in Paris Nord Villepinte, is looking very promising. 9 months away from opening, and 60% of the exhibition area is already reserved.

DISTRIBUTION GROUPS ARE ACTIVELY SUPPORTING THE EXHIBITION

The presence of two major distribution groups, **ALLIANCE AUTOMOTIVE GROUP** and **AUTODISTRIBUTION**, is a good example of this. These two groups are already making every effort to engage their members and repairers.

MAJOR PLAYERS IN THE B to B USED VEHICLE MARKET TO ATTEND

The organisers of the exhibition are delighted to introduce the new used vehicle section of the show. Located in hall 5, **USED VEHICLE WORLD** brings together professionals, from sourcing and preparation to used car sales. With this area, EQUIP AUTO meets the expectations of all industry professionals, and responds to some of the diversification challenges that repair professionals face.

NEW: EQUIPMENT SUPPLIERS MEET IN HALL 6

In order to satisfy a significant demand and highlight the international parts and equipment offering, EQUIP AUTO is reintroducing hall 6, after improvement works, in order to better welcome exhibitors and showcase their range to buyers.

EQUIP AUTO 2015: 100,000 m² OF EXHIBITION SPACE, 1,500 BRANDS AND COMPANIES REPRESENTED

Hall 4, open from Tuesday 13th to Friday 16th October, will be hosting the TRADE AND SOURCING section, dedicated to international pavilions.

From Tuesday 13th to Saturday 17th October, Hall 5 welcomes the following sectors: Diagnostic materials, Maintenance and repair, Bodywork and paints, Tools, Tyres, Accessories, Washing and service stations, Breakdown, Lubricants and maintenance materials, Professional services, Used car world, IT, Maintenance and distribution networks.

From Tuesday 13th to Saturday 17th October, Hall 6 welcomes suppliers of parts and equipment for all vehicles.

STRONG SUPPORT FROM PROFESSIONAL ORGANISATIONS

Alongside the FIEV and the FFC, **the vehicle after-sales and service industry's professional organisations**, the CNPA, FEDA, FNAA, GNEA, SNCTA, the ASSOCIATION OF TYRE PROFESSIONALS and the training body GNFA, are **strongly supportive, confirming their backing for this exhibition, a uniquely unifying event in France.**

About EQUIP AUTO

An international exhibition of vehicle equipment and services, EQUIP AUTO is one of the main European touchpoints for networking between manufacturers, distributors and the repair industry in search of new products, services or partners. EQUIP AUTO is an exhibition in association with the Federation of Vehicle Industries and Equipment (FIEV) and the French Industrial Bodywork Federation (FFC), organised by the Comexposium Group.
