A successful EQUIP AUTO 2019 in store!

With 4 weeks to go before it opens, the international exhibition for automotive aftersales and services for mobility is literally booming, and is shaping up to be a promising event for business, innovation and conviviality.

Over the space of 5 days, from 15 to 19 October, **it will welcome 1,200 companies and represented brands** in pavilions 1, 2.2 and 3 of Paris Expo Porte de Versailles.

Further proof of the show's growth:

- EQUIP AUTO has booked **more than 1,000 sqm more space** than at its 2017 edition.
- **More than 400 exhibitors** will be exhibiting for the first time.
- International companies represent **60% of registered exhibitors** (excluding French subsidiaries of international groups).

EQUIP AUTO 2019 also benefits from **the attendance of many loyal exhibitors and, in various sectors, the return of many other firms**: 3M, BERNER, BREMBO, CONTINENTAL, LACOUR, LIQUI-MOLY, MAGNETI MARELLI, SECTA AUTOSUR, SICAM with BEISSBARTH and WERTHER, TEXA, etc.

The same trend can be observed among visitors, with twice as many pre-registrations than two years ago. As a reminder, EQUIP AUTO expects to welcome **100,000 professional visits** from the areas of vehicle maintenance and services for mobility.

Firmly rooted in today's major aftermarket trends, EQUIP AUTO 2019 will also host around fifty start-ups in pavilion 2.2.

"Repair today, prepare tomorrow" has never seemed more appropriate!
