## **EQUIP AUTO on the race track of the 24 Hours of Le Mans with Tristan GOMMENDY (Graff)**

**EQUIP AUTO, the international trade show for automotive aftersales and services for mobility, announces the signing of a sponsorship contract to support the racing driver Tristan GOMMENDY.**

EQUIP AUTO has been supporting Tristan GOMMENDY since the ELMS of Monza Championship on May 18, 2018 and will follow him for the next races of the season, including the 24 Hours of Le Mans on June 16 and 17, 2018.

EQUIP AUTO is delighted with this partnership that puts its brand at the heart of the action of a remarkable car race and very wide audience. **EQUIP AUTO's colours will be present on the Red Bull Ring races (Austria) on July 22, Silverstone (England) on August 18, Spa Francorchamps (Belgium) on September 23 and Portimao (Portugal) on October 28.**

Tristan GOMMENDY got his first international title by winning the Formula 3 World Cup in Macao in 2002, a few weeks after having taken the title as French Champion. For 6 years, he was trained by the French Federation of Automobile Sport under Jean Alesi. After a run in the GP2 Series championship and on the other side of the Atlantic, in the ChampCar Series Championship in 2007, he has decided to focus on endurance races. He is now participating in the 24 Hours of Le Mans for the 9th time.
